

# TE10

## Vibratory Feeding Net Weigh Scale

Taylor Products' TE10 is an electronic, small net weigh scale designed for weighments of 2 oz to 5 lb. The TE10 was designed with a timed discharge to eliminate spillage, as well as controls for single operator convenience.

### **Variable Speed Electronic Scale for Small Accurate Weights**

- 2 oz to 5 lb capacity\*
- Granulars
- Powders
- Up to 20 weighments per minute

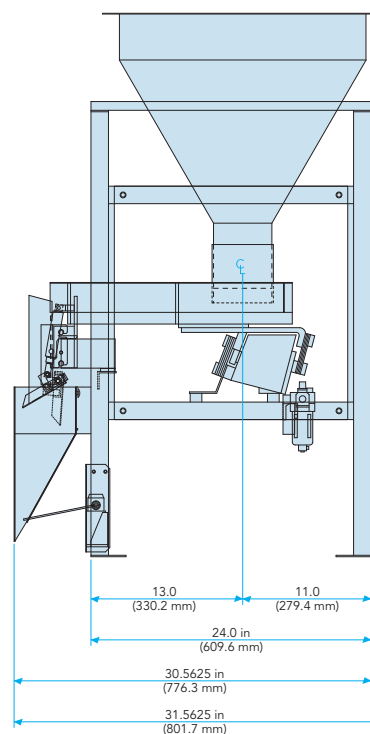

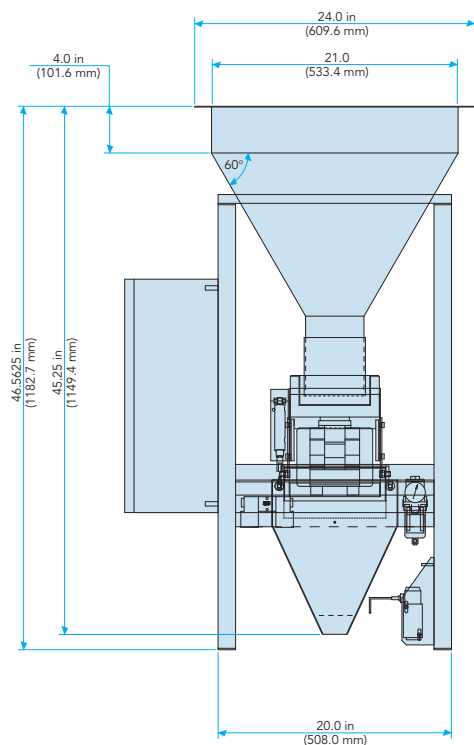

\*Weight range is dependent on product's bulk density. Free product testing recommended.
